

Our Privacy Policy applies to all information collected Twin Cities Auctions, for viewing our website and purchasing vehicles online and/or at an auction. By creating a Buyer account on our site, you're consenting to the practices described in this Privacy Policy.

We do not sell, trade, rent or otherwise share your personal information to third parties unless you give us explicit permission to do so.

Personal data we hold about you will be processed either because:

1. You have consented to the processing for the specific purposes described in this notice
2. The processing is necessary for us to register you to bid
3. We collect information from each user who creates a Buyer's account on our website or on the Proxibid platform

When creating a buyer's account or by using our website, you may be asked to provide, or we may collect the following personal data:

1. General contact information including your name, residential, billing and shipping addresses, email address and phone number
2. Financial and payment information for purchasing vehicles through our live and/or online auctions
3. First name, last name, address, and date of birth
4. Photographic proof of identity for identification or authentication reasons
5. A record of any correspondence between you and us
6. Answers to any survey that we may create
7. Aggregated, but not individualized, data of your visits to our website
8. Your bidding history
9. You do not have to supply any personal information to us, but our website and online bidding may not be operable without providing data to us
